

Good afternoon, families! I hope everyone was able to enjoy the beautiful weather this weekend!

The first of the four **Virtual Lessons** went home as a packet today. There is a letter on the first page providing information to parents. I also attached a PDF of the packet in case your child misplaces their copy. I will also upload a copy to the website. In short, the packet must be completed by next Monday, April 11. It may be turned in earlier. If there are questions, please either have your child ask the following school day or just email us.

The Problem / Solution page of the **Invention Convention** packet is DUE TOMORROW!
(Tuesday, April 7th)

The information for the **Mother - Son dance** went home with the boys today.

Students who qualify for the **Honors Banquet** will receive invitations tomorrow.

Please send in the **Field Day money** (\$7) & form (it was a bright pink paper sent home last week) as soon as possible. PTA set the deadline for money as this Thursday, April 9th.

The **website** has been updated with a few small posts for Math and Science for those of you that check it for links and information. It also has a link to the Invention Convention packet and 5th grade dates in case yours is lost or you simply want another copy.
