

Good evening, families!

\*Grandparents Day is NEXT THURSDAY!! Please send in the RSVP ASAP!! I attached the RSVP form. Below is also a volunteer form if you are available to help PTA.

[VolunteerSignup - Online volunteer signup sheets](#)

\*The Ladies & Lil Gents dance is on Friday, Feb 10<sup>th</sup>. Please send in your RSVP if you plan to attend!

\*Yearbook order forms are due NEXT WEEK!!

\*In Math, the students took a quiz, and received it back, too! They will be allowed a retake, as usual, but they need to study and get extra help as needed first. On the back side, there were only 4 problems, so the scores were either great or...not! Any student that missed one or more will meet with me next week and retake ONLY THAT SECTION. It is separate from the rest of the quiz.

The last test (Adding & Subtracting Fractions) is graded and in RDS already, but I realized this afternoon that they are still in the bin to be passed out in mailboxes. They will get them Monday. Of course, they have 2 weeks to retake that test, too, if they want to.

RDS is updated for Math.

\*In Science, the students had a quiz today. The grades are already in RDS. I have a few more grades to enter in Science, but I'm hoping to get those in this weekend.

\*Invention Convention projects need to be in the classroom on Monday! Presentations will begin Monday morning. Advertisements can be submitted via Google Classroom, sent to me directly via email, or a YouTube link can be sent to me...whatever works best for you!

Have a great weekend!!
